

Durston House School

Travel 'Action Plan'

Short Term - 2019

Based on the *Interim School Travel Plan* – Jan 2019

Key aims of the School Travel Plan

- To effect a change in the way pupils, staff, governors and visitors travel to and from Durston House
- To reduce congestion
- To increase awareness of health and environmental benefits of using sustainable transport
- To improve road safety awareness
- To maximise opportunities and promote the use of alternative modes of transport
- To provide a range of initiatives to encourage sustainable travel, engaging the school community

Initial Action

Action	Date	Completed	Points for Action
Conduct a second travel survey for all pupils and staff - modes of travel and trends	w/c – 20.5.19	YES	
Publish results to inform further action	w/c – 24.6.19		
Initiate a 'Walk, Cycle or Scoot to School Week' in the Summer Term – make it a regular feature			
Letter to parents about the 'Walk, Cycle or Scoot to School Week'	w/c – 24.6.19		
Create displays in each building promoting the benefits of sustainable travel	w/c – 24.6.19		
Involve the School Council in planning means of promoting sustainable travel to school			
Increase signage to deter parents from dropping off in dangerous/anti-social/problem areas	w/c – 24.6.19
